# VIDEO CONTEST TOOLKIT

## FIRST: Make a great video!

You don't need to have a fancy camera or editing equipment, all you need is a camera phone, ipod camera, or webcam and an internet connection!

### Here are some simple tips to get you started:

- ★ Plan ahead. Even if your idea is simple, think through how you want to do it before you start recording. *What do you want to say? What do you want to ask?*
- ★ Make sure you have enough light, especially if you are shooting indoors.
- ★ Limit background noises and make sure you are speaking loudly and clearly.
- ★ Make sure you can see everything/everyone in the shot that you need to see before you start recording.
- ★ Consider including the title to your video and credits at the start and finish of the video.

*If you want more information about making videos, check out this online video tutorial from a great organization called **Witness**: <http://www.youtube.com/watch?v=B7BFnhYX2vs>*

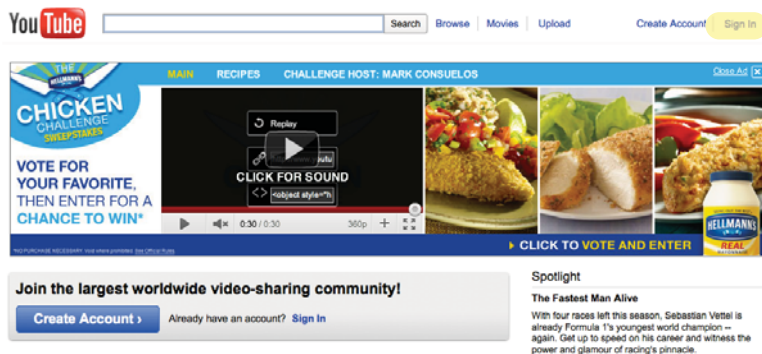

## SECOND: Upload your video in 7 easy steps...

**Step 1:** Make sure you know where your video is saved on your computer. Name your video file something clear and easy to remember, like "Video Contest Entry."

**Step 2:** Go to [www.youtube.com](http://www.youtube.com)

**Step 3a:** If you have a Gmail account:

With Gmail, you automatically have a YouTube account so you are all set to upload your video once you sign in!

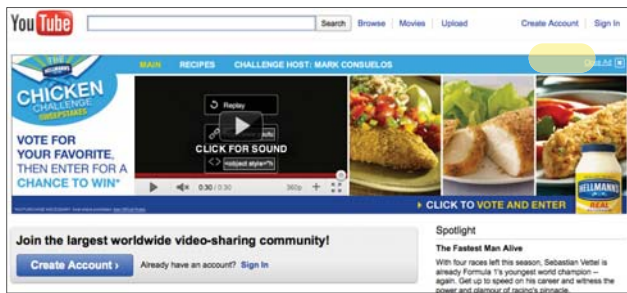

The screenshot shows the YouTube homepage. At the top, there is a search bar and navigation links for 'Search', 'Browse', 'Movies', 'Upload', 'Create Account', and 'Sign in'. The 'Sign in' link is highlighted in a yellow box. Below the navigation bar, there is a video player for 'CHICKEN CHALLENGE' with a 'CLICK FOR SOUND' button. To the right of the video player are three images of chicken dishes. Below the video player, there is a 'CLICK TO VOTE AND ENTER' button. At the bottom of the page, there is a 'Spotlight' section for 'The Fastest Man Alive' featuring Sebastian Vettel.

Click the "Sign in" link.

### Step 3b: If you **DO NOT** have a Gmail account:

You will need to create a YouTube/ Google account.

First, click on “Create account” on the top of the page.

Second, enter your email address and create a password for your YouTube account.

A screenshot of the 'Create a new YouTube | Google account' form. It includes a heading, a paragraph explaining that signing up for YouTube means creating a Google Account, and a link to sign in if you already have an account. Below this is the 'Required information for Google account' section, which contains two input fields: 'Your current email address:' and 'Choose a password:'. The email field has a placeholder example 'e.g. myname@example.com'. The password field has a 'Password strength:' indicator and a note 'Minimum of 8 characters in length.'

Finally, look over the “Terms of Agreement” and click the “I accept. Create my account” button at the bottom of the page.

A screenshot of the 'Terms of Service' section of the account creation page. It includes a heading, a paragraph asking the user to check the Google Account information, and a 'Printable Version' link. Below this is a scrollable area containing the 'Google Terms of Service' text, starting with 'Welcome to Google!' and '1. Your relationship with Google'. At the bottom of this section, there is a paragraph stating 'By clicking on 'I accept' below you are agreeing to the Terms of Service above and the Privacy Policy.' and a yellow button labeled 'I accept. Create my account.'

Once you are done you should see a GREEN CONFIRMATION BAR at the top of the screen.

**Step 4:** Now that you have an account, you are ready to upload the video! You should automatically be directed to the YouTube homepage. Click the “Upload” link on the top right of the screen.

**Step 5:** Click the big red arrow that says “Select files from your computer” the appears on the new page. You will be linked to a browser where you can select the video file from your computer. Select the correct file and click “open.” Your video should automatically start uploading to YouTube.

**Step 6:** Once the video has uploaded, you will be directed to a page where you can fill out information about the video. You should see a few images from the video. You can give your video a title, something short and simple. You can also include a description if you want.

**Step 7:** Tag (label) your video. **You MUST give your video the tag: rapbethechange (all one word).** This will help us to find your video so we can include it in the contest!

**Now your video is on YouTube!**

You can search for the tag “rapbethechange” (use quotes during search) to make sure that it is there.
